

Sweet Blessings Photography By Hana
INVESTMENT GUIDE

WELCOME

Thank you for choosing Sweet Blessings Photography By Hana. I am extremely thrilled to be capturing sweet memories for you and your family that will be enjoyed for a lifetime!

The precious memories we capture today are priceless!

Choose between Pre-designed packages starting from £185 only, or how about designing your own package that suits you best! Own packages start from as little as £59 which includes your session fee, editing as well as £10 credit towards any images or products purchased from the A La Carte list that best suit your budget!

My aim is to provide you with an experience that is unique and personal to you without compromising on quality & service. This is achieved by my detailed 2 hours pre session preparation of my studio, choosing the props, outfits and accessories. Once those precious moments are captured, I take great pride in my work and therefore spend between 8-12 hours editing your beautiful images.

To ensure the best quality and colours of prints for your heirloom images, it is recommended that you print through me!

My promise to you is exceptional top quality product and service!

Studies have shown that displaying photographs around your house boosts your child's self-esteem.

"Displaying photos prominently in the home sends the message that our family and those in it are important to one another, and we honor the memories we have experienced."~Cathy Lander-Goldberg
